

Smart Interview Preparation System

Student Portal: Allows users to register, log in, take timed multiple-choice quizzes (MCQs) focusing on interview scenarios (like behavioral or soft skills), and track their performance over time.

1. **Admin Portal:** Allows administrators to manage the platform by monitoring overall student performance, viewing test results, and maintaining the question bank (adding, editing, and deleting questions).

Detailed Breakdown by Screenshot:-

1. Landing Page This is the homepage or entry point of the application. It clearly states the platform's purpose and provides three primary navigation buttons: **Student Login**, **Student Registration**, and **Admin Login**, allowing users to route themselves to the correct section based on their role.

A screenshot of the "Student Registration" form. The title is "Student Registration" and a sub-instruction is "Create your account to start practicing for interviews.". A green success message says "Registration successful. You can now login.". The form fields are: "Full Name" (Bhuvan Patil), "Email address" (bhu231@gmail.com), "Password (min 6 characters)" (Enter password), and "Confirm password" (Confirm password). At the bottom are "Register" and "Already have an account? Login" buttons.

2. Student Registration is the sign-up form for new students. It requires a Full Name, Email Address, and a Password (minimum 6 characters). In this screenshot, a successful registration banner ("Registration successful. You can now login.") is displayed at the top, indicating the form validation and submission work correctly.

The screenshot shows the Smart Interview Student Panel dashboard. On the left, a sidebar lists navigation options: Dashboard (which is selected and highlighted in blue), Take Quiz, Latest Result, Progress, and ACCOUNT (Change Password, Logout). The main content area has a dark header with the text "Welcome back, Bhuvan Ananta Patil." and a sub-header "Track your interview preparation and continue your practice." Below this, there are four summary cards: "Total Quiz Attempts" (0, Practice sessions completed), "Average Score" (0.0, Across all attempts), "Highest Score" (0, Best performance), and "Questions Available" (10, In current question bank). At the bottom of the main area, there's a "Quick Actions" section with three buttons: "Start New Quiz", "View Progress", and "Last Attempt Summary".

3. Student Dashboard Once logged in, the student lands on this welcome dashboard. It provides a quick overview of their activity:

- **Key Metrics:** Shows Total Quiz Attempts, Average Score, Highest Score, and the total number of Questions Available in the bank. (Currently showing zeros as the student hasn't taken a quiz yet).
- **Quick Actions:** Shortcuts to "Start New Quiz", "View Progress", or see the "Last Attempt Summary".
- **Navigation:** A sidebar allows easy access to different sections of the student panel.

The screenshot shows the Quiz Session interface. The sidebar on the left includes "Take Quiz" (selected), "Latest Result", "Progress", and "Logout". The main area starts with a "Quiz Session" header and a note "Select category and difficulty, then complete all questions before the timer ends." It features "Quiz Filters" for "Category" (All Categories) and "Difficulty" (All Levels), with an "Apply Filters" button. Below this is a "Multiple Choice Quiz" section with 10 questions. Question 1 asks "What is the best way to handle conflict in a team?" with four options: Ignore the conflict, Blame the other person, Discuss calmly and find solution, and Leave the team. Question 2 asks "What does good communication mean?" with four options: Speaking loudly, Listening and understanding clearly, Talking continuously, and Ignoring others. Question 3 asks "What should you do if you miss a deadline?" with four options: Hide it, Blame others, Inform manager and fix it, and Do nothing. A timer in the top right corner shows "Time left: 09:56".

4. Quiz Session Interface This is the core practice area where the student takes the mock interview quiz.

- **Filters:** Students can filter questions by Category and Difficulty Level.
- **Timer:** A countdown timer in the top right (currently at 09:56) adds a realistic, time-pressed element to the practice.
- **Questions:** Displays standard behavioral interview questions (e.g., handling team conflict, communication skills, missing deadlines) in a standard radio-button MCQ format.

This screenshot shows the 'Performance Overview' page for a student named Bhuvan Ananta Patil. The page has a dark blue header with the student's name on the right. On the left, there's a vertical navigation bar with options: Dashboard, Take Quiz, Latest Result, Progress (which is highlighted in blue), and Logout. The main content area is titled 'Performance Overview: Your learning journey at a glance.' It features four key metrics in cards: 'Total Attempts' (1, Practice sessions), 'Average Score' (2.0, Across all attempts), 'Highest Score' (2, Best performance), and 'Average Percentage' (20.00%, Overall accuracy). Below these is a table titled 'Recent Attempts' showing the student's last 10 quiz sessions. The table has columns for #, Score, Total Questions, Percentage, and Attempted On. One entry is shown: #1, Score 2, Total Questions 10, Percentage 20.00%, Attempted On 2026-02-23 14:32:55.

This screenshot is identical to the one above, showing the same 'Performance Overview' page for the same student, Bhuvan Ananta Patil. The layout, metrics, and recent attempt table are all the same, demonstrating that the data is consistent across different sessions.

5 & 6. Performance Overview / Progress: These two screenshots are *identical*. This page tracks the student's learning journey. After taking a quiz, the metrics at the top update to reflect their Total Attempts, Average Score, Highest Score, and Average Percentage. Below the metrics is a "Recent Attempts" table that logs the history of specific quiz sessions, including the date, score, and total questions answered.

This screenshot shows the 'Admin Login' page. The title is 'Admin Login' with the subtitle 'Manage questions, students, and results.' It has two input fields: 'Admin Email' containing 'bhuvanpatil594@gmail.com' and 'Password' containing '*****'. Below the password field is a 'Login' button. To the right of the password field, it says 'Default: admin@admin.com / admin!23'.

7. Admin Login This is the secure login gateway for platform administrators. It simply asks for an Admin Email and Password. A helpful note at the bottom right displays the default login credentials for demonstration or initial setup purposes.

The screenshot shows the Admin Dashboard interface. On the left is a sidebar with navigation links: Dashboard (which is active), Add Question, Manage Questions, View Students, View Results, and Logout. The main area has a header "Admin Dashboard" and a sub-header "Overview of students, questions, and performance." It features three summary cards: "Total Students" (3 registered candidates), "Question Bank" (10 MCQs available), and "Total Attempts" (4 quiz submissions). Below these is a section titled "Recent Results" with a table of student quiz attempts:

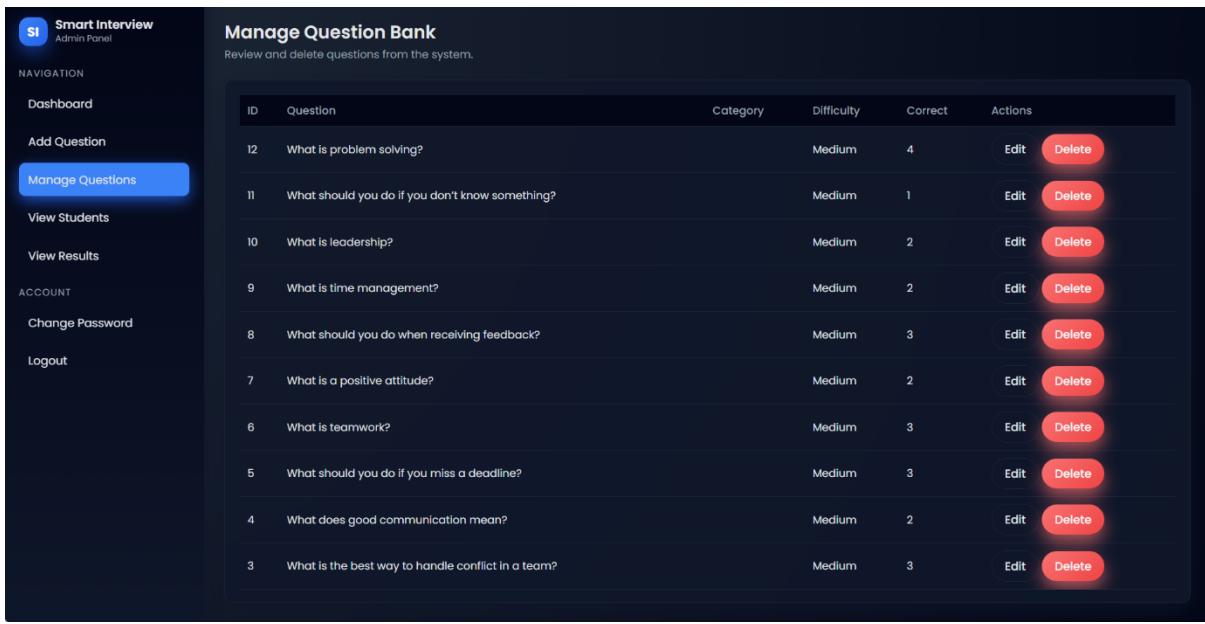

Student	Score	Total Questions	Percentage	Attempted On
Bhuvan Ananta Patil	2	10	20.00%	2026-02-23 14:32:55
Admin admin admin	1	10	10.00%	2026-02-23 14:20:27
Admin admin admin	4	10	40.00%	2026-02-23 13:07:11
Admin admin admin	1	1	100.00%	2026-02-23 12:55:12

8. Admin Dashboard Upon logging in, administrators see a high-level overview of the entire platform's activity.

- **Platform Metrics:** Displays the Total Students registered (3), total questions in the Question Bank (10), and Total Attempts by all students (4).
- **Recent Results:** A table showing the latest quiz attempts across the platform, detailing which student took the quiz, their score, percentage, and timestamp.

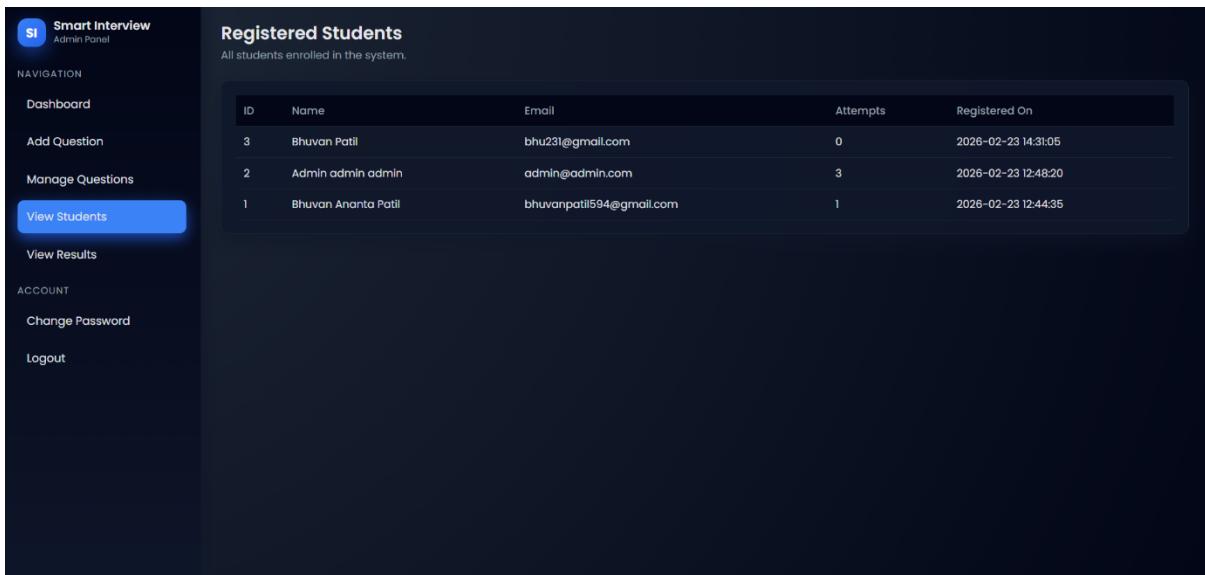

The screenshot shows the "Add New Question" page. The sidebar includes links for Dashboard (active), Add Question, Manage Questions, View Students, View Results, Change Password, and Logout. The main form has a title "Add New Question" and a subtitle "Build and maintain your interview question bank." It contains fields for "Question Text" (with placeholder "Enter the question here..."), "Category" (e.g., Data Structures, OOP), "Difficulty Level" (set to Medium), and four "Option" fields (Option 1, Option 2, Option 3, Option 4). Below these is a "Correct Option" dropdown with "Select" as the current choice. At the bottom is a blue "Save Question" button.

9. Add New Question This admin page features a form to build the interview question bank. The admin can input the Question Text, assign a Category (e.g., Data Structures, OOP) and Difficulty Level, provide four possible answers (Options 1-4), and select which option is the correct one using a dropdown.

Manage Question Bank
Review and delete questions from the system.

ID	Question	Category	Difficulty	Correct	Actions
12	What is problem solving?		Medium	4	Edit Delete
11	What should you do if you don't know something?		Medium	1	Edit Delete
10	What is leadership?		Medium	2	Edit Delete
9	What is time management?		Medium	2	Edit Delete
8	What should you do when receiving feedback?		Medium	3	Edit Delete
7	What is a positive attitude?		Medium	2	Edit Delete
6	What is teamwork?		Medium	3	Edit Delete
5	What should you do if you miss a deadline?		Medium	3	Edit Delete
4	What does good communication mean?		Medium	2	Edit Delete
3	What is the best way to handle conflict in a team?		Medium	3	Edit Delete

Registered Students
All students enrolled in the system.

ID	Name	Email	Attempts	Registered On
3	Bhuvan Patil	bhu23l@gmail.com	0	2026-02-23 14:31:05
2	Admin admin admin	admin@admin.com	3	2026-02-23 12:48:20
1	Bhuvan Ananta Patil	bhuvanpatil594@gmail.com	1	2026-02-23 12:44:35

10. Manage Question Bank This is the administrative control center for existing quiz content. It displays a data table of all current questions along with their ID, Category, Difficulty, and Correct option number. Each row features **Edit** and **Delete** buttons, allowing the admin to easily maintain and update the platform's content.

#	Student	Email	Score	Total Questions	Percentage	Attempted On
1	Bhuvan Ananta Patil	bhuvanpatil594@gmail.com	2	10	20.00%	2026-02-23 14:32:55
2	Admin admin admin	admin@admin.com	1	10	10.00%	2026-02-23 14:20:27
3	Admin admin admin	admin@admin.com	4	10	40.00%	2026-02-23 13:07:11
4	Admin admin admin	admin@admin.com	1	1	100.00%	2026-02-23 12:55:12

11. All Quiz Results (Screenshot ...143516.jpg) This screen represents the "View Results" section of the Admin Panel, acting as a comprehensive ledger of all student activity.

- **Detailed Tracking:** It displays a data table containing the full history of all quiz attempts, including the student's name, email address, raw score, total questions, percentage, and the exact timestamp of the attempt.
- **Data Export:** A highly practical **Export CSV** button is located in the top right corner. This allows administrators to download the performance data into a spreadsheet for external reporting, analysis, or backup purposes.

Secure your admin account:

Current Password
Enter current password

New Password (min 6 chars)
Enter new password

Confirm New Password
Re-enter new password

Update Password

12. Change Admin Password (Screenshot ...143527.jpg) This is the security management screen for the administrator account.

- **Account Security:** It provides a straightforward form to update the admin's login credentials.
- **Standard Verification:** Following standard security practices, the form requires the user to enter their current password before they can set and confirm a new one. It also enforces a minimum length of 6 characters for the new password.
